

**Dr. Pendl & Dr. Piswanger Albania**, the Human Resources Consulting Company, very successful in Albanian market since 2001, branch of Dr.Pendl & Dr.Piswanger GmbH in Vienna, is currently looking on behalf of our client located in Austria for an experienced professional for the position of :

## Senior Software Developer

### Main duties of the position include, but are not limited to:

In this position, you will be an important part of the growing software development department and actively contribute to professional B2B / B2C software development.

The focus here is on frontend/GUI development, also for smartphone apps (iOS, Android). You design new features from conception to live release and you are also responsible for the documentation to ensure the quality of the applications.

### Your profile:

- Independent and responsible work - always in the interest of the customer and the team
- Quality consciousness, "hands-on mentality"
- Constant willingness to learn and passion for software development
- Completed IT education and professional record
- Knowledge of Java EE, HTML5, JavaScript and REST
- Database knowledge (MySQL, PostgreSQL)  
You know Maven, Git, Jenkins and Docker or are willing to familiarize yourself with these tools

### Waiting for you:

- Agile software development
- Courage to embrace new technologies
- Continuous Integration & Continuous Delivery
- Combination of working from home & in the office
- We are an innovative and future-oriented company
- Great corporate culture incl. flexible working hours
- We work together in a highly motivated and technology enthusiastic team
- The remuneration package is depending on qualification and experience.

### Location: Austria

*Our client is providing allocation support for candidates from Albania and their families, in cooperation with regional government institutions for making your integration easy not only professionally but also from social point of view.*

Interested professionals are invited to send their professional resume until 30 July 2022 to the following e-mail address: [aplikime@pendlpiswanger.al](mailto:aplikime@pendlpiswanger.al)
